One wheelchair accessible parking spot is in the back of the building, see the next page for directions.

We are just east of Downtown Athens at the corner of Broad Street and Dr. Martin Luther King Parkway and First Street. Broad St. actually turns and follows the river.

You should park in the N01 parking lot across the street, near the North Oconee River Greenway/Heritage Trail. *There are several N01 parking lots*, this one is the closest. Please arrive a little early so that you can get a parking pass to take back to your car. Please do not park in the Greenway Visitor spaces, you might get a ticket.

Our door is directly across the street from the Cook & Brother Plaza water wheel sculpture. As you are facing the building from the N01 lot, go in the first door on the left; **look for the “Chicopee Complex” sign and the historical marker.**

As you walk in, there will be a large staircase with carpet directly in front of you. Our hallway is on the left at the top of the stairs. Go to the second office on the left, #2001. There is a sign above the door that says “SBDC Reception”.
